

```
1  #include <stdio.h>
2
3  int main(void)
4  {
5      FILE *stream;
6
7      stream = fopen("/tmp/1m.test", "r");
8
9      while ( fgetc(stream) != EOF );
10
11     fclose(stream);
12
13     return 0;
14 }
```
