

```
1  #include "lib.h"
2
3  int main(int argc, char* argv[])
4  {
5      int i=1;
6
7      for (; i<argc; i++)
8          {
9              hello(argv[i]);
10             hi(argv[i]);
11         }
12     return 0;
13 }
```
