

```
1  #include<stdio.h>
2  int main(void)
3  {
4      int a = 0;
5      while( a < 10 ){
6          printf("a=%d\n", a);
7          a++;
8          if (a>5) break;
9      }
10     return 0;
11 }
```
