```
#include <stdio.h>
   int main(void)
     FILE *stream;
     stream = fopen("/tmp/1m.test", "r");
     while ( fgetc(stream) != EOF );
9
10
     fclose(stream);
11
12
     return 0;
13
```
