Build A Shared Library

Source codes

hello.c

```c
1  #include "hello.h"
2
3  int main(int argc, char *argv[])
4  {
5    if (argc != 2)
6      printf ("Usage: %s needs an argument.\n", argv[0]);
7    else
8      hi(argv[1]);
9    return 0;
10 }
```

hello.h

```c
1  #include <stdio.h>
2  #include <stdlib.h>
3
4  int hi(char*);
```

hi.c

```c
1  #include "hello.h"
2
3  int hi(char* s)
4  {
5    printf ("Hi, %s\n",s);
6    return 0;
7  }
```
