```c
1   #include<stdio.h>
2   int main(void)
3   {
4       int a = 0;
5       while( a < 10 ){
6           printf("a=%d\n", a);
7           a++;
8       }
9       return 0;
10  }
```
